Legacy Circle at Maine Children's Home

In your work as an advisor, you value professionalism, integrity, and honesty, taking the utmost care when serving your clients. As a nonprofit organization, we share your values and take the same care when it comes to helping our donors plan charitable gifts.

With our 121+ year legacy in Maine, The Maine Children's Home for Little Wanderers reaches more than 3,000 families and children from throughout the state annually with our services and programs. Adoption; Counseling, Therapy, and Support Groups for Families and Child, Youth, and Individuals working through traumas in their lives; Teen Parent Supports Program; The Connected Community (virtual in 2020 & 2021) workshops and supports for parents, caregivers, teachers and other professionals; and The Christmas Program (more than 1,500 children from vulnerable, low-income families provided with warm clothing, essentials, books, games and toys each year) all in support of our mission: Building and strengthening families and their children, instilling hope for the future and a better quality of life.

Maine Children's Home is proud of our 4-star Charity Navigator Rating — you and your clients can feel reassured by this recognition.
