# 2019 FINANCIAL OVERVIEW

## INCOME

**Interest/Dividend** revenue is tied to the financial market performance, which is variable and routinely requires the organization to draw down additional operating funds from **Endowment** Investments. This dependence is declining for the third consecutive year.

The Maine Children's Home for Little Wanderers thanks all of our supporters and donors who have helped us build and strengthen over 3,000 children, youth, families and community members across the state of Maine in 2019. We would not be able to do this work without the help of our valuable staff members, amazing volunteers, board of directors and faithful donors.
