2020 Financial Overview

\$2,166,504
Total Revenue

\$2,054,356
Total Expenses

Difference: \$112,148

The positive balance of \$112,148 is a result of the generous donations of many contributors toward the end of 2020, and also due to receiving a fully forgiven PPP loan. This loan made it possible for Maine Children's Home to continue uninterrupted service during a pandemic and to keep our staff employed.

Maine Children's Home thanks all of our supporters and donors who helped us build and strengthen over 3,000 children, youth, families and community members across the state of Maine in 2020. We would not be able to do this work without the help of our valuable staff members, amazing volunteers, board of directors and faithful donors.
