# ABOUT CHRISTMAS IN JULY

The **Christmas Program** at Maine Children's Home (MCH) is the only one of its kind that provides brand new toys, books, games, warm clothing, and winter essentials to nearly 1,500 Maine boys and girls facing financial hardship during the holiday season. It's a year-round effort that would be impossible without generous donations, volunteer hours, and community support.

**Christmas in July** is a campaign to spread out the spirit of giving during the year, and to collect much needed **coloring books, crayons, colored pencils, and board games** to set the program up for a successful season.
